

OZZEE

BIOGRAPHY

Ozzee returns from his journey from the streets of Lagos to the global stage, his new EP 'Son of Mary' dives into the highs and lows of chasing dreams. Each track is a chapter, woven with raw emotions, hard-earned lessons and a celebration of his roots. Blending Afrobeats, Hip-Hop and highlife, Ozzee delivers a bold, unapologetic sound. "SON OF MARY" is not just music, it's a reflection of identity and growth. From soulful ballads to hard hitting anthems, the EP showcases his evolution as an artist.

MUSIC STYLE & INFLUENCES

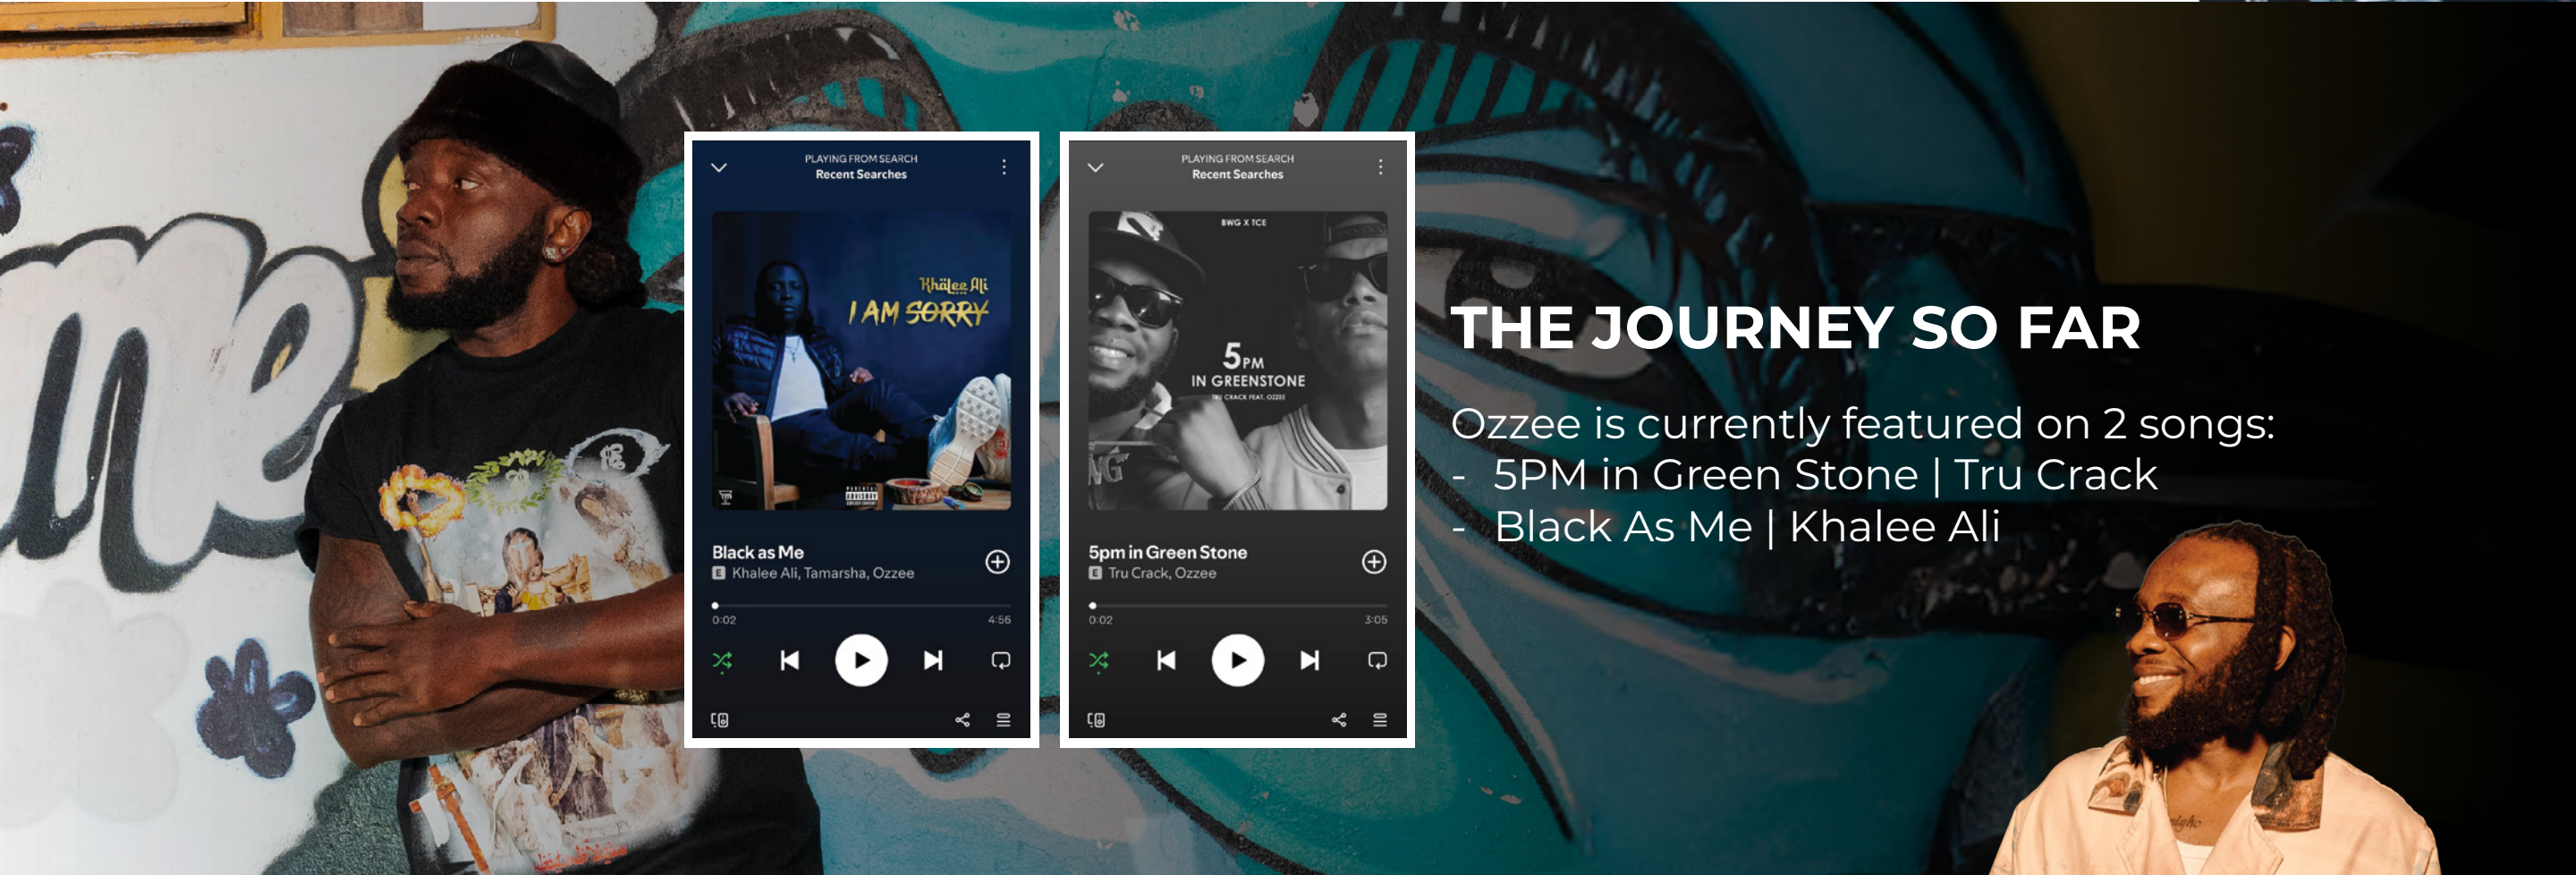

Music has been part of his roots all of his childhood, it's something he cannot do without. "I find solace in it" says Ozzee. Inspired by the storytelling of J. Cole, grit of Chuck Berry and the rhythm of Fela Kuti, all filtered through the modern 2025 lens.

DEBUT EP - SON OF MARY

The EP was recorded across Lagos, Johannesburg and Cape Town. Bringing together diverse sounds and collaborations. A dynamic fusion of Afrobeat, Afro-pop, amapiano, R&B and Hip-Hop. SON OF MARY is a bold statement of identity, rhythm and soul. OZZEE's distinct voice carries compelling stories of love, struggle, hope, faith and fire. All served with slick production and undeniable flair.

"This isn't just music, it's my heartbeat. Each song on SON OF MARY carries a piece of my journey, from the prayers of my mother, to the dreams I'm chasing today. I have poured my truth into this project and I can't wait for you to hear it." Says the artist.
